

Adapter plug

For (KNX) WS1000 Color/Style

Technical specifications and installation instructions

Item Number 60130

1. Description

The **Adapter plug** enables the separate installation of display and power electronics for the WS1000 Color/Style and KNX WS1000 Color/Style control units.

1.1. Scope of delivery

- 2 adapter plugs

1.2. Technical data

Cable type	12-wire cables (e.g. J-Y(St) 6x2x0.8) or 8-wire cables (e.g. J-Y(St) 4x2x0.8)
Maximum cable lengths	10 m
Weight	6 g each

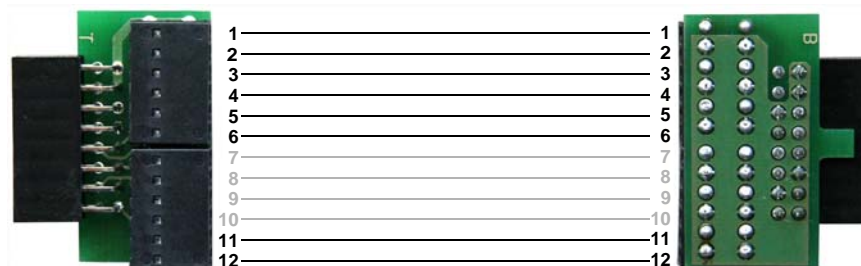

The product conforms with the provisions of EU directives.

2. Installation and connection

Please also take note of the chapter on installation of the WS1000 control unit in the WS1 / WS1000 manual.

For WS1000 Style and KNX WS1000 Style units, the display has to be mounted with the concealed box.

2.1. Connection diagram

———— 7 - 10 connections for transferring the KNX data

If no KNX data has to be transferred, 8-wire cabling can take place.
